Virginia Beach, Virginia

Target and Farm Fresh Foods anchor this 222,000 square foot community shopping center in Virginia Beach, which was developed in partnership with Kahn Development Company.

The joint venture team was responsible for the entire project: optioning the raw land in 1996, the sale and development of the Target parcel, negotiating the supermarket sale, leasing and construction of the shop space, and the sale of the completed project in 1999.
